Thousands of companies have discovered the highest exposure advertising with the Custom made 26"x38" fold out county maps. They fit easily in your pocket or glove box. By participating you'll be getting your business name out to consumers moving into the area as well as local visitors. This will benefit you by putting your business name inside **LITERALLY THOUSANDS** of homes, businesses, and visitors coming to your community for the next twelve months.

Please realize the importance of having your advertising in the hands of potential customers at their peak interest, **and** it's unmatched by any other media. Now, ask yourself where your advertising dollars are paying off.

Our field representative will be placing the Maps in public places throughout your area in high traffic areas such as banks, visitor bureaus, grocery stores, restaurants, brokerage firms, and more. ReMax Realty offices will distribute the maps to open houses, new homebuyers, new businesses and relocation packages for one year. This year we also have **RADIO MENTIONS FOR EVERYONE.....OVER 2 TOP 40 RADIO STATIONS, 2 TIMES A DAY FOR SEVEN DAYS ON EACH STATION!!!!**

What that will consist of, is the radio will mention your business name, your phone number and what you specialize in.

There is a **onetime** investment to participate in the program. Once the delivery of the maps are made and you've had the opportunity to verify that your ad copy is correct and accurate is when the delivery agent will accept the payment. Once again we would like to thank you for your consideration. If you have any questions please feel free to call 1-888-627-9798.
